IN THE NAME OF GOD

Almas Rahe Payam International Transport Co. Ltd. was established in 2013. The company has taken large steps in line with the national benefits and resources and created brilliant records in providing international transport services by road, sea, railways and air, including export and import, local and overseas transit and transshipment of goods to all countries in Asia, Europe and the CIS, transport of heavy goods and management of the related services supply chain, issuance of bills of lading and air and rail waybills, conducting all customs activities and clearance of goods in all the customs offices of the country more speedily, with shorter shipment durations and at competitive rates, with branch offices and agencies in all the official borders of the country and abroad, with foreign agents and trading partners in the European countries, and awareness of the international trade laws and the regulations of trade by land, sea and air. Establishing satisfactory relations to owners of goods and the local and foreign clients, and the company's competitive outlook on the international arena has made the company count among the active, reputable companies both locally and overseas.

#### **History, goals and major activities of the company**

Membership in the International Transport Companies Association of Iran, and Iran Chamber of Commerce, Industries and Mines; permanent member of IRU, FIATA, and international associations; with agencies in Germany, Italy, Romania, Turkey, Bulgaria, China, Taiwan, Korea, Dubai and other European and Asian countries; having 300 trucks covered and 100 trucks owned by the company carrying goods to and from European countries, and ships transporting cargos from Bandar Abbas and Anzali ports and Turkish ports to various ports in European and the Far East; having experienced, efficient personnel who provide the aforementioned services efficiently as well as other activities related to transportation, including the customs activities and formalities, issuance of incoming goods transport documents and transport of goods to free trade zones and selection of the best route and method of transport, which leads to reduced costs and shorter durations of shipment of goods and the elimination of demurrage by transport through the Turkish ports.

In order to conduct the affairs of the good owners and clients with the trade sanctions presently imposed on Iran by the European and other countries, the company proceeded to establish transportation companies and a number of trading companies in Turkey to provide services to the clients.

The company is presently cooperating with more than fifty great companies locally and overseas engaged in production and trade and is conducting all the shipments of such companies as Aksa Kimya, DHL, Renault, Pars Oil Co., Hayat Kimya Co., Behran Oil Co., Henkel, Tetra Pack, Crouse, Tuna Logistics, Borusan Logistics, Unilever, Mammot, Shirin Asal Food Industries, Bosch, British American Tobacco, Baykim, Rapid Logistics, and Mihan Co.
